WHY CHOOSE PRIME APPAREL

Vetted Factory Network

Direct access to compliant, high-capacity textile mills in Pakistan.

Competitive Pricing

Optimized production costing without compromising quality.

Strict Quality Control

Multi-stage AQL inspections ensure zero-defect exports.

Transparent Communication

Dedicated merchandisers providing daily production tracking.

OUR 5-STEP SOURCING PROCESS

1

Inquiry & Specs

Review tech packs, target price, fabric specs & order quantities.

2

Factory Matching

Select the optimal audited manufacturer for your product line.

3

Sampling & Approval

Develop pre-production samples for fit, fabric, and print sign-off.

4

Bulk Production

Inline quality checks & schedule monitoring throughout execution.

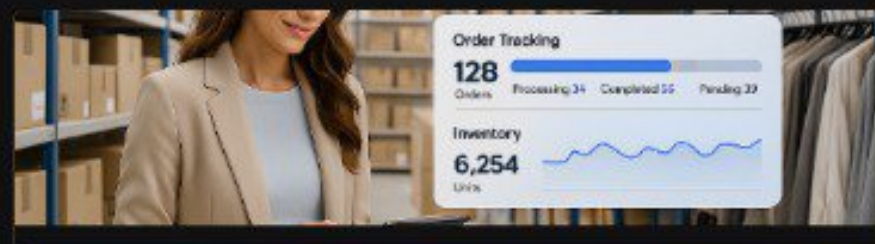

5

Inspection & Export

Final quality audit, seaworthy packaging, and export shipment.

🕒 Guaranteed Lead Times

We enforce strict milestone tracking at every production phase to safeguard your retail launch windows.
